About Savannah

Savannah is the oldest city in Georgia. It is a coastal city known for its architecture, history, horse drawn carriages, and numerous parks. Forsyth Park is one of the most well-known and covers over 30 acres of the historic district of Savannah. Well known for its picturesque fountain and trees covered in Spanish Moss, it is a stroll you don't want to miss. We hand picked your accomandations directly across the street from it! Savannah is truly the epitome of Southern costal charm and a site not to be missed!

About the Villa

A former bed and breakfast built in 1889 nestled in the beautiful Historic District of Savannah. Just steps away from Forsyth park, it provides newly renovated features while keeping the historical charm. It was love at first sight for us and we can't wait to show you!
